CALL FOR MANUSCRIPTS: The Book of Selected Readings 2026

The Book of Selected Readings (BSR) is a peer-reviewed, annual publication by IVLA, primarily featuring papers related to the conference theme, “The Power of Images in Sacred and Festive Practices.”

It welcomes submissions from all IVLA conference presenters—whether in-person or virtual—as well as scholars and artists whose work aligns with the theme. This publication has become a key reference for current research and debates on visual literacy. In addition to providing a platform for experienced scholars, one of its aims is to support new researchers in sharing their work. The BSR is inclusive, offering a space for scholars to publish, promote their research, and engage with their audience.

Criteria for Selection

- Relate to the themes of the IVLA annual conference.
- Contribute to the field of visual literacy.
- Include appropriate images, illustrations, or photographs.
- Follow APA 7th edition formatting.
- Be submitted by January 15, 2026, to Dr. Wanju Huang, Editor-in-Chief, The Book of Selected Readings, at wanjuhuang@purdue.edu.
